ORDER

Of the 24 cases assigned to me for MDL proceedings, there are nine cases pending on appeal before the Eleventh Circuit Court of Appeals. The above referenced cases are still pending before me with outstanding motions to dismiss. Resolution of the cases on appeal will likely resolve the antitrust claims in these cases. In the interest of judicial efficiency, the Court will stay further proceedings in these five cases until the appeals are resolved. It is, therefore,

ORDERED that proceedings in the above listed cases are **STAYED** pending further order of the Court. The Clerk is directed to enter a copy of this order in these tag-along cases and to administratively close the cases.

DONE and ORDERED in Chambers, Orlando, Florida on December 22, 2016.
