The Society of Collision Repair Specialists (SCRS) is introducing a new event during the 2017 SEMA Show that will be entitled the Collision Industry Red Carpet Awards Breakfast. This event will be free to attend, and held on Wednesday, November 1st from 7:30 - 9:00am in Ballrooms D-E in the Westgate Las Vegas Resort and Casino.

The event will feature selected awards that highlight standout individuals and businesses in the collision repair industry. Body Shop Business, I-CAR and SCRS have all committed to presentations and awards during the ceremony.

Seating for breakfast will be on a first-come-first-served basis, and will be limited to 200 available seats. We request you RSVP no later than September 30th, so that we can aid with guest accommodations. RSVP here: <http://conta.cc/2u4wrEM>

If your organization wishes to be considered for inclusion in the program as an award presenter, please email info@scrs.com with the award description. All awards must be approved by the host committee for inclusion, and the total number of awards presented will be limited.

As a founding organization of what will be an annual event, SCRS is seeking other entities who place a priority on encouraging and recognizing greatness in individuals, companies and actions in the collision repair industry. There are options available for companies that wish to contribute and be recognized as a supporter of the event. If you wish to support the event, contact SCRS Executive Director Aaron Schulenburg at aaron@scrs.com for more information about sponsorship options.

Thank you to all involved, who will make this an exceptional event to remember.
