RE: GEICO Labor Rate Survey

Dear Custodian of Records:

Attached please find a spreadsheet that contains the information required by CCR 2698.91 to document GEICO's recently completed Labor Rate Survey. The tabs of the spreadsheet correspond with the requirements contained in CCR 2698.91(d)(1)(A)-(F).

As you can see from the spreadsheet, the name and physical address of each auto body repair shop responding to the survey is included in tab "A".

Tab "B, C, and D" reflects that the survey was completed on July 2, 2018, that 6,413 shops were surveyed, and it lists the prevailing rates for each. Pursuant to 2698.91(g)(3), we surveyed the entire list of California Bureau of Automotive Repair licensed auto body repair shops provided by the CDI in 2017 as well as those added in 2018.

Tab "E and F" states that the survey is intended to comply with the standards and requirements contained in CCR 2695.81(d), and a description of the method used to determine the prevailing auto body rate.

The non-public information required by CCR 2698.91(g) was submitted separately through the CDI web portal.

As required by CCR 2695.81(d)(6) and 2698.91(g)(5), GEICO states that it used Direct Repair Shops in its survey, but did not use Direct Repair discounted rates in the survey. The list of Direct Repair shops will be uploaded to the CDI web portal.

While we certainly hope that the information contained in this letter and the spreadsheet are sufficient, if you have any other questions, please do not hesitate to contact me.

Sincerely,

J. Lee Meeler, Jr.
Assistant Vice President, Claims
