RE: CA Auto Body Repair Shop Labor Rate Survey

Dear Mr. Laucher:

Attached is Coast National Insurance Company's auto body repair shop labor rate survey as defined by California Code of Regulations, Title 10, Chapter 5, Subchapter 9, §2698.91 and California Insurance Code 758. Specifically,

(c) Any labor rate survey results reported to the Department of Insurance pursuant to Insurance Code section 758 shall include the following:

- (1) The name of each auto body repair shop surveyed in the labor rate survey;
- (2) The address of each auto body repair shop surveyed in the labor rate survey;
- (3) The total number of shops surveyed in the labor rate survey;
- (4) The prevailing rate established by the insurer for each geographic area surveyed;
- (5) A description of the specific geographic area covered by the prevailing labor rate reported.
- (6) A description of the formula or method the insurer used to calculate or determine the specific prevailing auto body rate reported for each specific geographic area.

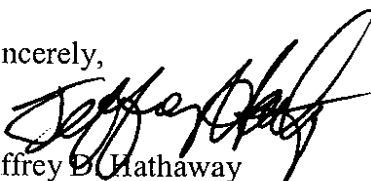

Coast National Insurance Company's auto body repair shop labor rate survey meets the above-referenced requirements as follows:

- (1) The name of each auto body repair shop surveyed is included.
- (2) The address of each auto body repair shop surveyed is included.
- (3) The total number of shops surveyed at the time of this submission was 1,516 throughout California.
- (4) The prevailing rate established by Coast National Insurance Company for each geographic area surveyed is any rate falling within the range of values surveyed.

Page 2

- (5) The specific geographic area covered by the prevailing labor rate reported will be:
 - a. For metro areas, the specific city and surrounding communities.
 - b. For non-metro areas, the specific community.
 - c. For an un-surveyed non-metro area, the specific community.
- (6) The method Coast National Insurance Company has utilized in determining the prevailing auto body rate is the use of any rate falling within the ranges of values surveyed for the specific geographic area.

Sincerely,

Jeffrey D. Hathaway
