To Whom It May Concern:

Pursuant to Insurance Code §758 and 10 Cal. Code of Regs. §2698.91, AAA Northern California, Nevada & Utah Insurance Exchange, and its wholly-owned subsidiaries, Western United Insurance Company and ACA Insurance Company (hereinafter collectively referred to as "AAA") submit the following results of its new 2013 Auto Body Labor Rate Survey.

In compliance with 10 Cal. Code Regs. §2698.91(c), AAA provides the following information:

1. AAA conducted a new labor rate survey in January 2013 (hereinafter "Survey"). AAA invited 1259 auto body repair facilities located throughout Northern and Central California to participate in its Survey. This did not include any facility that is a member of AAA's Direct Repair Network. These facilities were asked to provide information on what labor rates their facility would charge to complete repairs to a vehicle owned by a customer who is also seeking competitive bids from other shops. Of the 1259 shops asked to participate in the Survey, 396 auto body shops chose to participate and provide the requested information. The names and addresses of the shops participating in the Survey are set forth in Exhibit A
2. AAA organized the data by Metropolitan Statistical Areas (hereinafter "MSA") as developed by the Federal Office of Management and Budget. These areas are defined by urbanized areas with a population of 50,000 or more, plus adjacent territory that has a high degree of social and economic integration. When a county is not included in a MSA, the data is organized on a county basis. AAA believes that organization of this data into MSA's more accurately reflects the economic similarities of adjacent areas. Exhibit B sets forth the results of the Survey by MSA or county.
3. The prevailing rate for each geographic area is established by taking the average of all rates reported by shops in that specific geographic area.

RECEIVED
DEPT OF INSURANCE
LOS ANGELES
2013 MAY 17 AM 10:55

4. Based on a variety of factors, the Survey is not applied to determine prevailing labor rates in the following counties:

- | | |
|-------------|-----------|
| - Alpine | - Modoc |
| - Del Norte | - Mono |
| - Inyo | - Sierra |
| - Kings | - Tehama |
| - Lassen | - Trinity |
| - Mariposa | |

Labor rates in these areas will be negotiated on a shop-by-shop basis.

Sincerely,

Eric D. Andel, Manager
Claims Policy and Standards
925-279-2653

Attachments: Exhibit A - List of Repair Shops surveyed
Exhibit B - Prevailing labor rates by County and MSA
