Re: Auto Body Labor Rate Survey

Dear Mr. Gobbo:

Pursuant to California Code of Regulations, Title 10, Chapter 5, Subchapter 9 §2698.91 and California Insurance Code § 758, please find the enclosed labor rate survey submitted by MetLife Auto & Home.

This survey was conducted via telephone by randomly selecting shops currently registered with the Bureau of Automotive Repair, on a county by county basis. No shops surveyed were participants in MetLife Auto & Home's GRP program. The representative prevailing rate for each labor category was calculated by arithmetic mean from the stated rate quoted by each shop surveyed. In counties where no rate is shown, there were no shops available on the BAR list of currently registered facilities, or no shop responded to contact made by our company.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Ball".

Rick Ball  
Senior Field Supervisor  
MetLife Auto & Home
