Dear Mr. Edwards:

Enclosed please find the attached Farmers Insurance Exchange and 21st Century Insurance Company Labor Rate submission for San Joaquin County which consist of the cities of: Escalon, Lodi, Manteca, Ripon, Stockton, and Tracy, California. We are submitting to you for filing as required by California Insurance Code (CIC) Section 758 (C) and Section 2698.91 of the California Code of Regulations.

We have adjusted the body shop labor rate for the following zip codes in San Joaquin County: 95202, 95203, 95204, 95205, 95206, 95207, 95210, 95212, 95240, 95304, 95320, 95336, 95366, 95376, and 95377 based upon the data provided by the facilities in these areas. We have attempted to survey all of the repair facilities in each of the zip codes. If Direct Repair Program facilities were included in the survey, they provided us with their door rate.

The prevailing rate for each area was determined by taking the mode of all of rates reported by the shops in that specific area. The mode was utilized as the prevailing rate when there was sufficient data to generate the value.

Please contact me if you have any additional questions.

Farmers Insurance Exchange
Sincerely,
